

**Thames Valley Collaborative Lawyers POD**  
Putting your Family at the Heart of the Matter

## FREE Consultation Voucher

If you or your spouse is interested in the Collaborative process, you need to contact a specialist Collaborative Family Lawyer. Our website gives details of the Family Lawyers in the Thames Valley who have trained as Collaborative Lawyers.

They all participate in a free half hour interview, by phone or at a face to face meeting, to discuss the Collaborative process (we do not provide legal advice in these meetings, it is simply a chance to find out more about the Collaborative process and how to move matters forwards).

When making your appointment please say that you have this voucher and wish to take up a half hour free consultation.
